

The Texas Association of Charitable Clinics is proud to host its annual statewide conference. As the **ONLY** event of its kind, join us and learn from local, state and national experts on the issues that impact your clinics. Network with your peers from around the state. Visit our vendors that specialize in working with charitable clinics.

Membership Meeting

The annual TXACC membership meeting will be held on Friday April 28, 2017 during the morning general session. All members are urged to attend or to send a representative from your clinic.

Texas Association of Charitable Clinics (TXACC) is a private non-profit organization that supports and strengthens Texas' Charitable cClinics. The mission of TXACC is:

"To enhance the overall ability of Texas charitable clinics to provide the highest level of care"

TXACC and its members share a common mission of addressing the needs of the uninsured by using the generosity of our communities as a base for our operations. Millions of dollars of healthcare services are provided through these Charitable Clinics each year. TXACC's role in the provision of these services is to ensure that our members have the resources, capacity and information they need to provide quality, measurable and impactful healthcare services.

2017 TXACC

Legislative Day

Let your local legislators know the vital contribution made by your clinics to the communities they represent!

Join TXACC on Thursday April 27th for the presentation of a resolution declaring it "Texas Charitable Clinic Day". This will occur at the Texas State Capitol in the House of Representatives Chambers at 9:00 a.m. Afterwards you can visit with your legislators and/or staff in their offices.
